OFFICE OF THE DIRECTOR OF AGRICULTURE
IN MYSORE, SESHADRI ROAD, BANGALORE-1.

Notification dated 3rd October 1952.

No. Rsc. Gl. 10159. It is hereby notified for the information of public that the Sapodilla crop produced at the Fruit Research Station (18 miles from Bangalore City), Hessarghatta, will be leased out to the person who offers his highest value for the crop from the date of lease. The intending bidders may kindly furnish to the undersigned their best offer so as to reach him on or before 25th October 1952.

2. The person, whose offer is accepted should deposit 25 per cent of the total value of the crop immediately after its acceptance and the balance amount within a week after acceptance. In default thereof, the lease will be disposed off in favour of the next best offer. The lessee will be permitted to harvest the crop as and when ready only after the total amount is fully paid.

3. The lessee should be responsible for the proper guarding of the fruit crop immediately his offer is accepted and no complaint in case of theft or whatsoever will be entertained and no compensation or whatsoever will be paid thereof. The lessee is further required to give intimation well in advance to the Superintendent or to any immediate officer on his behalf prior to harvesting of fruits daily. Further the fruits harvested from each tree individually should be kept near it and removed after details of harvest are recorded. Under no circumstances fruits should be removed until all required details are recorded. The crop after harvest should be brought to the office, where permit to remove the fruits from the Station premises would be given by the Superintendent, Fruit Research Station. Under no circumstances the crop shall be removed to residential quarters of the staff in the Colony. The lessee should give definite instructions in this behalf to his watchman or to any person deputed on his behalf.

4. Any crop found being removed without the authorisation of the Superintendent will be confiscated and disposed off, the realisations thereof being credited to Government.

5. Fruits which are fully riped only should be harvested. Diseased ones and fruits infested with borers, etc., must be allowed to be harvested and destroyed.

6. The lessee is required to spare whatever fruits are necessary for experimental work at Government rate.

The lessee should not further claim any compensation for the crop if there are any of the diseased branches or trees which may be cut down.

The lessee has to make his own arrangements for his servants or watchmen.

The lessee should compensate for fruits any damage to or to any Government property or to the trees of the Orchard during the lease either by himself or by his authorised agent.

All the expenses of the lessee will be borne by him and the lessee should be guided by the orders of the Director of Agriculture, Mysore, Bangalore, as indicated above.

The lessee is permitted on any working day to enter the orchard in the morning and

He should remit a sum of Rs. 100 as a Revenue Deposit and deposits on unsuccessful application for deposit of the successful bidder 25 per cent of the lease value above.

The office is in Mysore, Bangalore, and the offer if the same is below

the expected amount in the interests of revenues of the Station.
